# *Say Thank you!*

It is International Professional Driver Appreciation Week and we wanted to take a moment to express our gratitude for the many contributions that drivers make to our vast world every day and for this work, which too often is not recognized.

## **7. International Day of the Professional Drivers**

**09th May to 13th May 2022**

**Place a YELLOW BAND on the left rearview mirror of your car, truck, bus, taxi, or handlebar of your bike.**

We thank all professional drivers worldwide for their loyal service. You have a watchful eye on other road users.

You bring our children safely to school and back home. You do this and much more every day on duty for all of us.

Thank you for your help in giving the professional drivers a smile or a small present.

Thanks for your support!
